WHAT PEOPLE ARE SAYING

"Thank you for one of the most passionate presentations I've ever been part of! You are not only a fantastic presenter, but also one of the most sincerely powerful communicators ever! You're obviously gifted, and so willing to share your knowledge and experience with us."
- Bob Turel, Audience Member
ICF Tampa Bay

"You were a smash hit with the audience! I was amazed at how many positive comments were made about you and your expertise. One of our members shared that she 'could have listened to you for days!' To say we were pleased is a huge understatement!"
- R. Lee Gray, Program Chair
NAWBO Wichita Area

"I heard Denise speak at the Financial Girls Club. I typically go into these events a little skeptical and prepared to be bored, or at least uninterested. Boy, was I surprised! Denise was very dynamic and drew me in before I could stop myself!"
- Rachel L. Hurst, Audience Member
Financial Improvement Girls Club

"It's so difficult to connect with women of various ages and backgrounds and be able to make an impact. Denise did just that at our annual Every Woman Event with more than 1,000 women in attendance. The women felt like she was talking just to them. Weeks after the event, I still had women throughout the community approach me and share how their lives were touched by her message."
- Gina D. Turcotte, Director
Greenville Hospital System
